COLLD NOT DO IT.

Rufus Choate was not a little remarkable for his perfect coolness and self-possession in court. The writer never saw him disconcerted but once. He was arguing a case to a jury, Judge Wilde presiding. The Judge interrupted him with the remark: Mr. Choate, the witness gers, she exhibited symtoms of impa- I will say that I cannot be mistaken. I tience at the slow progress made. The took down every word the witness uttercar had to wait for a team on the truck, ed, and have it here in black and white, and she would have got off, but for the just as I have stated. If your honor will look at my notes, you will find it so. It's only for a half a minute-don't be Turning to the jury, be went on: Just as I have told you, gentlemen of the jury, Then the car waited two minutes on a the witness testified; and be then repeatwindow, walked up and down, and was terrupting, said, graffly: I don't want to look at your notes, Mr. Choate, and, There comes the other car. You seem if I did, you know I could make nothing of them. The witness did not say what you state. Then leaning forward, and They are amountly well, she replied, pointing his flager at Choate, he continued: You wanted him to say so and so, One more block and the ear left the Mr. Chouse, and you did your best to try track. She waited built a minute to see and make him; but you couldn't do it. There is a wild struggling and rushing it could not take wings, it was liable at if it could be hauled on again right away | Counte stord for a few moments effect, vidently embarrassed, and they took up

another part of the case. ANECDOFE OF PRESIDENT GRANT.

This next bit of humor of President Grant's appears now for the first time in

Just before the close of the last session of Congress, while diding but one day, he was struck with the appearance of a corse that was driven before a butcher's art. The butcher was sent for and saked it he would sell. The butcher would do so for a proper consideration. The proper consideration was estimated at \$250, which was paid. Subsequently, after driving out with Senator Conkling, the President said, Come to the stable and back at a new burse I've bought.
